BRELLA CLASSIC EASY CANVAS CARE:
Keep clean by brushing with a soft brush and hose with clean cold water. Ensure canvas fabric is dry prior to stowing away. Never apply soap, detergent, cleaning fluids or insecticides. Petrol, solvents & similar products will damage canvas fabrics.

Brella classic canvas will enhance the appearance & value of your home. Brella classic canvas is strong and resilient. Easy to maintain. 100% UV block out. Colour fade and water & mildew resistant.

Add style, value & privacy

Brella Classic Canvas climate control fabrics make a stunning contribution to the appearance of any home, they can make and save you money. Environmentally friendly. Brella Classic Canvas climate control fabrics conserve usage of fossil energy, saving you money on expensive cooling bills. Brella Classic Canvas climate control fabrics look great and will add value to your home, lifestyle and personal all year round comfort. Enjoy your time at home more. You might never want to move again.

FEATURES NEW!

BRELLA **BIONIC** FINISH[®]

To ensure ultimate all-weather durability qualities and effortless minimum maintenance, all Brella Classic Canvas Fabrics feature our revolutionary BRELLA BIONIC FINISH.

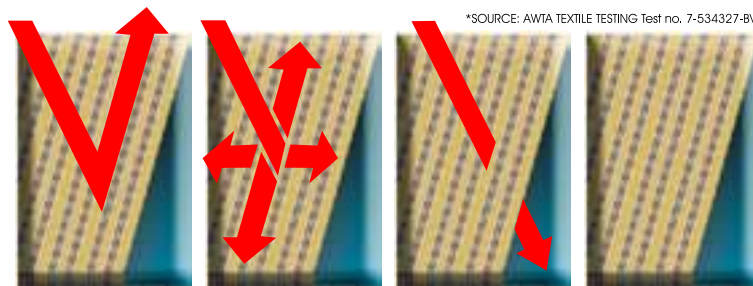

Brella Bionic Finish:

- Is Internationally recognized as the most effective, environmentally friendly, ALL-NATURAL textile weather proofing system.
- Creates a water, oil & soil repellent barrier.
- Can be directly hosed and simply wiped clean of dirt and grime.
- Is APEO-free and Solvent-free.
- Is exclusively used by Brella to ensure our Classic Canvas Collection looks and performs as good as new for a long time to come.
- Is abrasion resistant.
- Promotes quicker drying of canvas fabric and is mould and mildew resistant.

These are just some of the reasons Brella has a 5 year manufacturers replacement guarantee. We believe Brella's the best, put us to the test.
